

# How we help educate, coach, and connect.

Esusu partnered with Operation HOPE, a financial empowerment organization dedicated to helping renters make the most of their money and grow their wealth at no cost to you.

Our programs include group workshops and one-on-one coaching in the following areas:

## CREDIT & MONEY MANAGEMENT

Learn how to make decisions with your money that will set you on a path to being a financially independent person.

## HOMEOWNERSHIP

Our HUD-certified coaches provide you with the knowledge, skills and resources to overcome challenges first-time buyers face as you go through the loan process.

## SMALL BUSINESS DEVELOPMENT

We will help you start a business, grow your business, or become an entrepreneur to take all your businesses to the next level of success.

## FINANCIAL DISASTER RECOVERY

HOPE Inside Disaster strengthens and aids recovery efforts by assisting individuals and business owners with the short to long-term economic and financial challenges faced following disasters and emergencies.

With the guidance of certified financial wellness coaches, you can:

**Develop a plan for your finances**

**Build specialized cash reserves for the future**

**Create strategies for growing your money and building wealth**

Coaches meet with you in virtual, private, confidential one-on-one sessions and group classes. Limited coaching slots are available.
