

HOPE inside Locations

Esusu partnered with **Operation HOPE**, a financial empowerment organization dedicated to helping renters make the most of their money and grow their wealth at **no cost to you**.

Credit and money management workshop

- Read and understand your credit report
- Establish and rebuild your credit profile
- Develop and follow a budget
- Strategically pay off debt
- Save money for major purchases
- Build an emergency savings account
- Understand when and how to properly use a credit card

One-on-one credit counseling

- Individual credit counseling tailored to your specific goals and needs
- Create a structured plan to achieve financial goals
- Monthly check-ins and progress updates
- Establish and/or increase your credit score
- Strategically settle debts with lenders

700 Credit score communities

- Create a game plan to increase your credit score to 700 or above
- One-on-one consultation and monthly follow-ups
- Assistance with writing dispute/settlement letters to creditors

All you have to do is send an email to teresa.munoz@operationhope.org to get started
