**Esusu Disclosure:** Esusu aims to help renters build financial stability now and forever. Esusu only reports on-time rent payments and does not report missed or late rent payments to the credit bureaus. Using Esusu rent reporting services does not guarantee an increase in credit scores as scores are determined by the credit agencies using multiple factors, including but not limited to the history of a renter's other timely payments being reported to the credit agencies, change in credit utilization rates, and more. For questions about our products and services, see Esusu's FAQs at [esusu.com/faq](https://esusu.com/faq) or email us at [rentsupport@esusu.org](mailto:rentsupport@esusu.org).
