april Disclaimer: ¹ If you find an error in the tax preparation that entitles you to a larger refund (or smaller liability), april will refund any fees you paid them to use their service to prepare that return and you may use april's service to amend your return at no additional charge. To qualify, the larger refund or smaller tax liability must not be due to differences or inaccuracies in data supplied by you, your choice not to claim a deduction or credit, positions taken on your return that are contrary to law, or changes in federal or state tax laws.

Esusu Disclosure: Esusu aims to help renters build financial stability now and forever. Esusu only reports on-time rent payments and does not report missed or late rent payments to the credit bureaus. Using Esusu rent reporting services does not guarantee an increase in credit scores as scores are determined by the credit agencies using multiple factors, including, but not limited to, the history of a renter's other timely payments being reported to the credit agencies, change in credit utilization rates, and so much more.
